

PREVENTION TRAINING: SUPPORTING GENDER NONCONFORMING STUDENTS AT SCHOOL

Is your staff equipped to address these issues?

With the passage of AB 1266 and the increasing awareness of gender nonconformance and fluidity, long-standing norms are being challenged and new and different questions are coming to light.

Our experts will provide helpful resources, discuss complicated hypotheticals, and answer your questions to arm staff with the tools they need to practically navigate this area and ensure all students are safe and supported at school.
